YALE CREW ROWS MILE IN 5 MINUTES

Coaches Consider the Time Good Owing to Unsettled Conditions in the Boat—Harvard Crews Have Practice of Nearly Two Hours.

Gales Ferry, Conn., June 6.—Rowing upstream against the tide and a slight wind, Yale crew tonight covered one mile in five minutes flat. The coaches considered this a good showing in view of the unsettled conditions in the boat. Harriman rowed in bow tonight, replacing Hadley, who was sent to the same seat in the B boat. The coxswain seemed to display more snap in their work than in former drills.

The freshmen practiced racing starts and had a short sprint. After the practice the coaches and oarsmen followed the Harvard crew down the river and watched the work of the Crimson crew.

Just before the men went out on the river a large deer emerged from the wood back of the quarters, ran to the water's edge and swam to the opposite shore.

Two Hours Practice.
 Red Top, Conn., June 6.—Water conditions on the Thames were ideal tonight, so Coach Harriman sent all the Harvard crews down the river for a drill that lasted nearly two hours. The two varsity shells rowed from quarters to the railroad bridge at a high stroke, displaying plenty of drive and finishing strong. The return was made at an easy paddle. The coaches gave close attention to the freshmen boat and speeded up the stroke.

GAME SHOULD BE PLAYED OVER.
 Umpire Waters Has No Right to Ask Anyone Else to Decide Play, Says Vice President O'Neill.

Hartford, Conn., June 6.—Vice President O'Neill of the Eastern baseball league decided tonight that the game played between Hartford and New Haven last Friday should be played over. In this game Umpire Waters was watching a play which retired a man on third, it being the third out, while a run was being scored by New Haven. The umpire did not see the play at home, but appealed to the official scorer, who said that the man was out at third before the runner crossed the plate.

Manager Murphy of New Haven protested that the run had crossed the plate before the out was made and appealed. If the run had counted, the game would have been a tie. In making the decision, O'Neill said the umpire had no right to ask anyone else to decide play.

West Chelsea Won.
 West Chelsea beat Greenville 8 to 3 on the Mohican park diamond Tuesday. There is a tie between these two teams for the grammar school league pennant, each having won one and lost one game. Physical Director O. H. Nickerson of the Y. M. C. A. umpired the game.

On Thursday West Chelsea plays Broadway school.

FINANCIAL AND COMMERCIAL

STOCK MARKET FLUCTUATED
 Prices of Special Stocks Rose on Expansion of Professional Activity.

New York, June 6.—Special stocks as well as representative issues were elevated again today on an expansion of professional activity. The market's course was altogether inconclusive, however, in that it ignored the disapproval of the British military administration at the outset, but declined later on the favorable auguries conveyed by a number of increased dividends. Announcement of an early settlement of long-standing differences among interests in Mercantile Marine proved of negative value to shipping shares, which were especially weak at the close.

The reversal of the later session was concurrent with an advance in call money to 4 per cent, the highest quotation in 18 months. Local banks recently expressed their disapproval of the movement in certain of the main money market issues, but the Steel and Baldwin Locomotive had their narrow flights and Bethlehem Steel gained six points, but United States Steel lagged in characteristic fashion, developing heaviness at the close. Coppers were relatively responsive to higher dividends while other specialties, including Harvesters, American Writing Paper preferred and U. S. Smelting, denoted the activity of pool and cliques.
